#### General Comments in the End of Year Report 2018

The Australian Education Union has directed its members not to include comments on Term 4 student reports. This may result in inconsistency in the way in which reports are provided with some reports including a General Comment and some without.

All reports from Prep to Grade Six will include a rating against the Australian Curriculum for English, Mathematics, Science and Humanities and Social Sciences (HASS). Kindergarten students will receive a report and their Portfolio of Work.

Although there may be no General Comment in some cases, teachers are always very keen to talk to parents about your child's year. You can also email teachers through their email address or through [trevallyn.primary@education.tas.gov.au](mailto:trevallyn.primary@education.tas.gov.au)

#### Volunteer Morning Tea

It was our great pleasure last Tuesday to show appreciation to so many volunteers who assist in a wide variety of ways by enjoying morning tea together. School Captains Taj and Ava were sincere in thanking volunteers and our two items displayed the great talents of our students. We truly are a blessed community! All the assistance we so readily receive is always greatly appreciated.

We are looking forward to the **Grade 6 paver laying** on Sunday. We hope to see you there!

## END OF YEAR REPORTS

End of Year Reports will be going home with all Kinder to Grade Six students next Wednesday 12 December. The End of Year reports summarise your child's overall end-of-year results. Your child will receive an assessment based on the descriptions below for English, Mathematics, History and Science. It reflects their progress and achievement against the Australian Curriculum Achievement Standards.

End of Year Reports for Kindergarten students will go home Wednesday 12 and Thursday 13 (depending on your child's days) and are written against the Early Years Learning Framework Outcomes.

Below is a guide to assist you with your understanding of your P-6 child's assessment.

| A guide to Understanding your Child's Assessment |   |
|--|---|
| <b>A - Well above the standard expected</b>      | The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these skills to new situations. |
| <b>B - Above the standard expected</b>           | The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.                               |
| <b>C - At the standard expected</b>              | The student has a sound knowledge and understanding of the main areas of content and has achieved the expected level of competence in the processes and skills.   |
| <b>D - Approaching the standard expected</b>     | The student has a basic knowledge and understanding of content and has achieved a basic level of competence in the processes and skills.  |
| <b>E - Below the standard expected</b>           | The student has elementary knowledge and understanding in a few areas of the content and has achieved very limited competence in some of the processes and skills.  |

## GRADE SIX CELEBRATION SUPPER

A shared celebration supper for students, family and friends of the Grade Six Class of 2018 will be held following the Grade Six Presentation Evening on Thursday, 13 December. If you are attending the Presentation Evening, please bring a plate to share to the Max Fry Hall, either at 3:00pm (this would be much appreciated if convenient) or just prior to the presentation. *(Please note that there are no heating facilities available).*

If anyone has fresh flowers or foliage (even just a stem or two) they would also be appreciated and can be left at the hall or school office at the start of the day. If you are able to help in any way or have any queries please contact Jo Beswick on 0432 040 081.

## REMINDER - 2018 GRADE SIX PAVER LAYING SUNDAY 9 DECEMBER

To celebrate the end of an era for the Grade Six Students there will be a family gathering on December 9 at the school from 11am to 1pm for the laying of the childrens' commemorative pavers. All Grade Six students are encouraged to come and leave a final mark on the school.

A BBQ will be available to use. Please BYO meat or veggie options to cook, snacks, drinks and picnic rug etc. Sporting equipment or musical instruments welcome - there may even be a chance for a parents versus leavers sporting challenge!

## LSSSA SWIMMING CARNIVAL

On Friday 30 November, a team of students from Grade 5/6 attended the Division A LSSSA swimming carnival at Riverside Pool. The team was selected based on the results from our school carnival. In a strong competition, the Trevallyn team put in a tremendous effort finishing 4th overall. We had some great performances in the pool with a lot of ribbons won on the day. Well done to everyone involved, you represented the school exceptionally well.

## STATE BASKETBALL CHAMPIONSHIPS

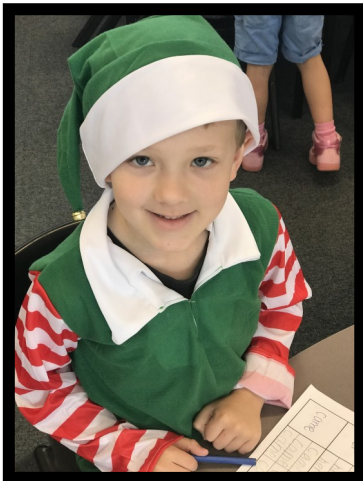

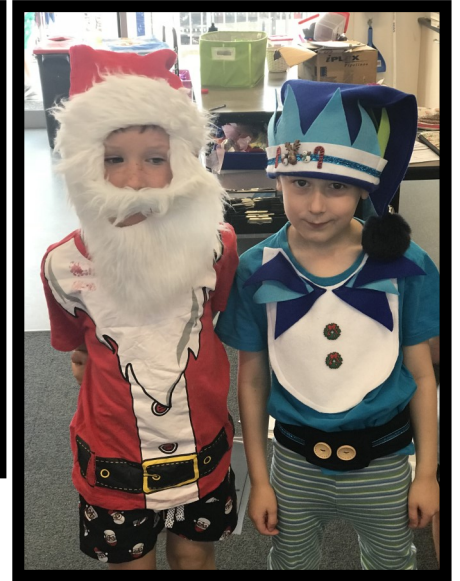

A huge congratulations to our Grade 3/4 Girls and 3/4 Boys teams who represented Trevallyn at the Primary School State Championships. As a spectator, it was so nice to see not only the outstanding calibre of our students in this sport but the sportsmanship, encouragement, support and friendships forged from the weekend tournament. Our Grade 3/4 girls finished 4<sup>th</sup> overall and our Grade 3/4 boys lost a very close match in the grand final seeing them the 3/4 runners-up State Champions. Congratulations to everyone involved.

## SRC FREE DRESS FUNDRAISER

On Wednesday 5 December, students from Kinder to Grade Six dressed up to raise money for The Examiner Empty Stocking Appeal. The theme was 'a touch of summer or a touch of Christmas'. There were lots of colourful outfits and it was great to see everyone making such an effort to support this cause. In total we raised \$464.00 which will go directly to helping people in our local community who may be doing it tough this holiday period.

# 4 Johnston/Martin

Christmas is a happy time of year

Where everyone is full  
of cheer,  
The year is nearly  
done  
And everyone has had  
some fun,  
On Christmas day  
We all say hooray,

Everyone is full of glee

When they see the presents  
underneath the Christmas tree,  
We wait 25 days from the  
1<sup>st</sup> of December,  
No one forgets, they always  
remember!

By Daisy Barbour and Lilly Kelly

*In 4 J/M we have been:*

*Working with Spheros, Making Christmas  
Cards for our buddies,  
Learning how to block code in the computer lab,  
And having fun!*

## EARLY CHILDHOOD ATHLETICS CARNIVAL

What could be better at the end of the year? A sun-filled afternoon of running races, tug of war and then finishing off with a delicious ice block! Everyone from Kindergarten to Grade 2 participated in our Athletics Carnival with enthusiasm and excitement. Thanks is extended to Mr Ralph for his effortless organisation of the event, to the Grade 6 students who led the activities, to the teachers and volunteers who helped, to the "ice block team" who handed out 250 ice blocks and last but not least all the families who attended and showed their support and loud cheering. We look forward to this fantastic afternoon again next year!

## 2 BENDER/O'BRIEN ART WORK

## WRITE ROAD ANTHOLOGY LAUNCH

Last week all the schools involved in this cluster writing project celebrated the launch of this year's special anthology of students' work.

Our students have engaged in the writing process for over 2 terms under the guidance of Cameron Hindrum, Johanna Baker-Dowdell and Rhona Stevenson. Work has been posted on the online forum on CANVAS and students have given each other feedback on their work. Poems, narratives and pieces of prose have been polished and really shine!

Some students have even had their work published in Momentum which is the University of Tasmania's magazine and this was also included in last week's Examiner. We are so proud of these writers. We have a copy in the school library if you would like to read of their work.

Much appreciation to Johanna Baker-Dowdell and the Examiner's Mark Bishop for supporting this project; we are so lucky to have talented and generous community members who are our partners in learning.

## SPORTS UNIFORM CHANGE

We are no longer able to buy our current track suit so a new one has been selected and is now ready for purchase. There is no immediate requirement for purchase as a changeover period will extend from now till the end of 2019. We are sure this will be a relief to families who have been waiting for new stock. Thank you all for your patience and understanding.

Previously our sports uniform and summer/winter uniforms have not been interchangeable. With the introduction of these new sports tops, we welcome students wearing them with their full school uniform and for increased warmth. During colder months we anticipate that students will wear them over other school garments for added warmth.

There will not be a change to the Kindergarten uniform. Please refer to price list on page 9.

## SCHOOL MAGAZINE PRE ORDER

The school magazine has gone to print. A reminder that pre orders can be made at the office now or by returning the slip below with payment to the school office. Limited stock will be available to purchase once the magazine arrives.

## STUDENTS WITH MEDICAL CONDITIONS

It is very important that if your child/children have a medical condition of any sort that the school is made aware as soon as possible so that we can put that information on the child's record. It is a legal requirement that if your child requires any form of medication that appropriate documentation is filled in by a medical practitioner and stored on your child's file here at school. Any student who has diagnosed asthma must have an asthma action plan completed and kept at the school. The forms are available from the front office for you to collect and return to the office as soon as possible.

Children should not have medication in their bag to self-medicate. All medication should be registered at the front office.

Please make sure your child's medication is checked, up-to-date, and the school has sufficient supply.

If you have any questions please do not hesitate to contact the school. Thank you in advance for your assistance, your child's health and safety is important to us.

## STUDENT ASSISTANCE SCHEME 2019

Student assistance scheme forms (STAS) are available from the school office for families who have not applied for STAS before. Please refer to the table below.

Families who have been in receipt of STAS previously have been sent letters directly from the Department regarding STAS 2019 approval or non-approval.

Completed application forms can be returned to the school office.
