FROM THE PRINCIPAL

And that's a WRAP

What a YEAR!!! A massive thank you to all the students, staff, families and wider community for all your contributions towards a fantastic 2024. As we reflect on a year that seemed to have just whizzed by us, we know that there are always things we can do better, and we have so much to be grateful for, the connections we have made, the learning achieved and fun along the way. We are so proud of all our students and the character they have shown all year. They remind me of a great Bruce Lee quote:

"Ever since I was a child, I have had this instinctive urge for expansion and growth. To me, the function and duty of a quality human being is the sincere and honest development of one's potential."

Fond Farewells

As the 2024 school year ends, it is time to say goodbye to some of our amazing educators, teachers and staff who are moving on. Firstly, I would like to acknowledge and thank Rob Partridge, Carol Marshall, Charmaine Hood, Mitch Christmas, Emma Webb, Kat O'Sign and Ash White. We are so grateful for the time you have given Trevallyn and we wish you and your families, all the very best in the future.

The end of every school year signifies the end of an era for some of our Trevallyn Primary School families. I would like to wish all families who are moving on, all the very best in the future.

Christmas on the Hill

I think we can all agree that Christmas on the Hill was a hit this year. A massive thanks to all our volunteers who contributed to all the preparation and planning. All the staff and students who put in a tremendous amount of effort and rehearsal into all our performances. A big SHOUT out to Mr Ethan who helped us out, we could not have done it without him.

Once again the School Association has been outstanding, agile and so generous with their time and efforts. It is such a special time and celebration for our school, we cannot thank you all enough. REMEMBER if you love this event, let the School Association know. We will be looking for a group of volunteers to organise next years Christmas on the Hill.

Finally, Dave, Alena, Vicki and Marcus. We could not have done this without you! This was a spectacular event, it enabled our students to shine and our families to connect. What a perfect end to the school year. Thank you.

A tribute to our 2024 Year 6 Students

Dear Class of 2024

Each and everyone of you bring a special character to our school and your group. You are funny, very very smart and I suspect you don't realise just how incredibly smart you are. More than anything else you have the ability to connect. You are a unique group of young people who can show deep care for others, great pride in who you are and in your community and you not only show respect in every way, you demonstrate a deep understanding of what it means to be respectful of yourself, of others and the place you live and learn.

We are so proud to be your Primary School Educators, our world needs leaders, thinkers and creatives like you. You need to know that in 2024 you were the ones who inspired us. In the words of the great American Sprinter and the centre of one of the greatest stories of resilience, Wilma Rudolph:

"Never underestimate the power of dreams and the influence of the human spirit. We are all the same in this notion: The potential for greatness lives within each of us."

Go off and be great. We know you will be.

Thank you for your leadership, your kindness, your connection and thank you for all your efforts. You are truly, a remarkable group of young people, and we all wish you the very best for high school and beyond.

Merry Christmas, have a safe and happy holiday and see you in 2025.

Take care and thanks Trevallyn!

And watch lots of Netflix too
The kids say that they will miss us
We don't think that is true

Doing things they always wanted to
Surfing and swimming on a summer holiday
Making our dreams come true
Away from you

We have a lot of partying to do
We might send you all a postcard
But we know that won't be true
5. All your parents get a summer holiday
Spending days looking after you
No more school in the summer holidays
Seems like a matter for you
And you and you
